Summary

As a language enthusiast and a skilled teacher, I have a strong passion for the language, teaching and translating. However, my eagerness to learn extends beyond these areas and includes Web Development and SEO.

With a Bachelor of Education in English Language Teaching from Yeditepe University and teaching practicum at ISTEK Acıbadem, I have honed my skills in teaching English as a second language and as a foreign language.

Outside of my academic pursuits, I have been self-learning about Web Development and SEO. I am deeply driven to expand my knowledge and expertise in these fields and I am seeking out every opportunity to showcase my unwavering passion and eagerness to learn.

As an ambitious individual, I am constantly striving to improve and determined to make a significant impact in the industry. With my dynamic and charismatic personality, I am confident that I can bring an unparalleled level of enthusiasm and energy to any team.
