Summary

Language enthusiast with a huge passion for coding and Web Development.

I have been self-learning about Web Development and SEO. Developed various projects using HTML, CSS, JavaScript and React. I am deeply driven to expand my knowledge and expertise in the Front-End Development, and I am seeking out every opportunity to showcase my unwavering passion and eagerness to learn.

As an ambitious individual, I am constantly striving to improve and determined to make a significant impact in the industry. With my dynamic and charismatic personality, I am confident that I can bring an unparalleled level of enthusiasm and energy to any team.
